

SI 339: Personal Portfolio

Lily Steinmetz

<https://lilysteinmetz.github.io/finalproject/>

What I added & how

- Scrolling animation
 - Using Javascript
- Interactive Photo Cards
 - Using CSS
- Contact Form
 - Using CSS
- Footer Icon
 - Using CSS
- Favicon
 - Using HTML

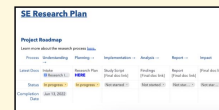

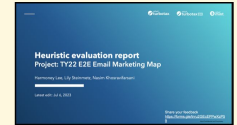

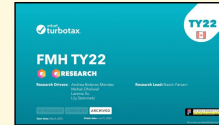

Hello, I'm Lily!

Who am I?

I am a second year student at the U

Projects

Did it work?

- Scrolling animation
 - Yes!
- Interactive photo cards
 - Yes!
- Contact Form
 - Yes!
- Footer Icon
 - Yes!
- Favicon
 - Yes!

Accessibility Check

- WAVE
- Console
- aXe
- W3C HTML
- W3C CSS
- Dead Link Checker
 - Getting a 999 non-standard error here, with the research that I've done, it seems like this is a common problem. I see on Stack Overflow that Linkedin can not explain why because of Security through Obscurity. I believe that this error is out of my control.
